Dishes 4 Wishes

An event in support of granting FOUR wishes for local children.

Saturday, March 17, 2018

7 — 11 p.m.

The Ivy Room at SWIRCA
16 W. Virginia Street

Granted is a local nonprofit that has been granting wishes to Tri-State children with life threatening or terminal illnesses for more than 30 years . With no ties to any national organization, Granted relies primarily on funding from the communities served. A wish gives children time away from hospitals and treatments. It gives children and their families something to plan and look forward to through times of uncertainty and emotional as well as financial strain. Wishes allow the family to put the burden of their child's illness on hold as they have fun and create everlasting memories.

Join us for an exciting evening of sampling the area's finest desserts, hors d' oeuvres, wines and beer. Meet some wish children, enjoy lively music, bid on amazing auction items, and be a part of making wishes come true!

For more information, please call Granted at (812) 425-9474 or visit www.grantedtristate.org.
